## Ultra Lightweight Folding Electric Wheelchair

### PRODUCT FACT SHEET

## Product Overview

The MX-AIR by Mobility Extra is a premium ultra-lightweight folding electric wheelchair built for everyday independence, travel, and effortless mobility. Constructed from advanced aluminium alloy, the MX-AIR offers a smoother ride while remaining strong and durable. At just 17 kg, it is one of the lightest electric powerchairs in its class - making lifting, transport and storage simple. Designed for both indoor maneuverability and outdoor confidence, the MX-AIR combines compact folding convenience with powerful twin motors, front and rear suspension, and long-range performance.
