

MX-BASE

Instant Fold Lightweight Electric Wheelchair

PRODUCT FACT SHEET

Product Overview

The MX-BASE by Mobility Extra is a strong, practical and easy-to-use folding electric wheelchair designed to make everyday life simpler. Ideal for shopping trips, family visits and outdoor outings, the MX-BASE combines comfort, safety and reliable performance. Built from lightweight aluminium and powered by dual 250W motors, it delivers smooth indoor manoeuvrability and confident outdoor handling. Its instant one-step folding design and airline-approved lithium battery make it travel-ready and easy to store in a car, train or plane. Fully UKCA approved, the MX-BASE meets the latest UK safety and quality standards. Available in Black or Silver, with 1 or 2 battery configurations.
