

MX-2R

Reclining Instant Fold Long Range Capable Electric Wheelchair

PRODUCT FACT SHEET

Product Overview

The MX-2R by Mobility Extra is a comfortable, reliable and easy-to-use folding electric wheelchair with a quick-trigger reclining backrest - ideal for users who need extra postural support or comfort during extended use. Sharing the same powerful platform as the MX-2, it offers smooth indoor manoeuvrability and confident outdoor performance, with instant one-step folding for easy storage and transport. With airline-approved lithium batteries and the option to run one or two, the MX-2R delivers extended range and the freedom to go further. Bluetooth remote control is also included for carer use.
