

# MX-APEX

## Multi-Terrain Folding Electric Wheelchair PRODUCT FACT SHEET

### Product Overview

The MX-APEX by Mobility Extra is a premium heavy-duty multi-terrain folding electric wheelchair, engineered for maximum strength, stability and all-day comfort. Built from aerospace-grade aluminium and driven by dual 350W sine-wave brushless motors - the most powerful in the Mobility Extra range - the MX-APEX delivers smoother, quieter performance with significantly more torque for tackling hills, uneven ground and varied terrain. Designed for shopping trips, family visits, dog walks, park trails and country paths, the MX-APEX supports users up to 200 kg (31.5 stone) and comes with two airline-approved batteries fitted as standard, giving extended range without any need to stop and recharge. A 53 cm wide luxury-upholstered seat, LCD display, front suspension, extendable footplate, cup holder, LED light and storage bags are all included. UKCA certified and ready to use straight out of the box.

GENERAL INFORMATION	
Product Name	MX-APEX Multi-Terrain Folding Electric Wheelchair 200kg
Brand	Mobility Extra
Model	MX-APEX
MPN	MX-APEX-BLK
Colour	Black
Availability	In stock - new product
Price	£1,699.00 (ex. VAT)
